awj@aipg.org

January 2, 2018

Mr. Thomas Jenkins
100 West Old Wilson Bridge Rd.
Suite 115
Worthington, OH 43085

Dear Mr. Jenkins:

It is with pleasure that the National AIPG Executive Committee welcomes the geology students of Youngstown State University as the newest Student Chapter of AIPG. The students will not regret the time and effort.

Although the advantages of AIPG membership are numerous, the most compelling reason for involvement is one's own self-interest. The additional opportunities opened to AIPG members comes from a wide network of accomplished geologists who are only too willing to assist colleagues in achieving professional career goals.

AIPG membership consists of geologists engaged in every discipline. AIPG focuses on the professional, institutional, regulatory, and social-economic aspects of the practice and what geologists do for the benefit of society. The Student Chapter's initial exposure to AIPG will, we are certain, expose an entirely new perspective for students as they build careers.

To assist in establishing the Chapter, the Executive Committee is pleased to contribute \$100 Visa Gift card to Youngtown State University AIPG Student Chapter treasury.

We hope some of our new Chapter members may be able to attend the AIPG 2018 Annual Meeting to be held in Colorado Springs, Colorado.

Best wishes,

R. Douglas Bartlett, CPG-8433
President

Aaron W. Johnson, PhD
Executive Director
